GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

1. DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

- 1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Agency Hardware.
- 1.8 “**Falcon Flex**” means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.
- 1.9 “**Flock Hardware**” means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.
- 1.10 “**Flock IP**” means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- 1.11 “**Flock Safety Falcon™**” means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- 1.12 “**Flock Safety Raven™**” means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- 1.13 “**Flock Safety Sparrow™**” means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- 1.14 “**Footage**” means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- 1.15 “**Hotlist(s)**” means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- 1.16 “**Implementation Fee(s)**” means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- 1.17 “**Installation Services**” means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- 1.18 “**Non-Agency End User(s)**” means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- 1.19 “**Services**” or “**Flock Services**” means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- 1.20 “**Support Services**” means Monitoring Services, as defined in Section 2.10 below.
- 1.21 “**Usage Fee**” means the subscription fees to be paid by the Agency for ongoing access to Services.
- 1.22 “**Web Interface**” means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- 1.23 “**Wing Suite**” means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- 1.24 “**Wing Livestream**” means real-time video integration with third-party cameras via the Flock interface.
- 1.25 “**Wing LPR**” means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- 1.26 “**Wing Replay**” means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- 1.27 “**Vehicle Fingerprint™**” means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

2. SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”).

Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of this Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

2.4 Usage Restrictions.

2.4.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

2.5 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

2.6 Suspension.

2.6.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the

Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

2.6.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful, or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance ("**Service Interruption**"). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

2.7 Installation Services.

2.7.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware ("**Designated Location**") and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan ("**Reinstalls**") will incur a charge for Flock's then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

2.7.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency ("**Agency Installation Obligations**"). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully

obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

2.7.3 Flock's Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock's standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

2.7.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

2.8 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

2.9 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

2.10 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

2.11 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect

flock safety

to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

4. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7)

days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

4.4 Feedback. If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

4.5 Aggregated Data. Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

5. PAYMENT OF FEES

5.1.1 Wing Suite Fees. For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 Falcon Fees. For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 Notice of Changes to Fees. Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 Invoicing, Late Fees; Taxes. Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

6. TERM AND TERMINATION

6.1 Term. The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

7. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including

Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties

acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

9. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

10. MISCELLANEOUS

10.1 Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

10.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

10.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

10.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

10.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

10.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

10.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

10.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

10.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

10.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

10.11 Conflict of Interest. Pursuant to A.R.S. § 38-511, the City may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a Professional to any other party of the Agreement with respect to the subject matter of the Agreement. In the foregoing event, the City further elects to recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the City from any other party to the Agreement arising as a result of this Agreement.

10.12 Non-Boycott of Israel. Flock certifies that it is not currently engaged in and agrees for the duration of this Agreement that it will not engage in a "boycott", as that term is defined in A.R.S. § 35-393, of Israel.

10.13 Non-Discrimination. Flock, its sub-contractors and suppliers, with regard to the work performed by it after award and during its performance of this contract, will not discriminate on the grounds of race, color, national origin, religion, sex, disability or familial status. Flock, its sub-contractors and suppliers, will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Age Discrimination Act of 1975, the Americans With Disability Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, and Arizona Governor Executive Orders 99-4, 2000-4 and 2009-09 as amended.

10.14 Non-Availability of Funds. Fulfillment of the obligation of the City under this Agreement is conditioned upon the availability of funds appropriated or allocated for the performance of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the City, pursuant to Section 6.2 of this Agreement, at the end of the period for which the funds are available. No liability shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments as a result of termination under this paragraph.

10.15 Bench Trial. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

Sole Source Letter for Flock Safety ALPR Cameras and Solution

Flock Safety is the sole manufacturer and developer of the Flock Safety ALPR Camera. Flock Safety is also the sole provider of the comprehensive monitoring, processing, and machine vision services which integrate with the Flock Safety ALPR Camera.

The Flock Safety ALPR camera and devices are the only Law Enforcement Grade ALPR System to offer the following combination of proprietary features:

1. Patented Vehicle Fingerprint Technology:

- Patented proprietary machine vision to analyze vehicle license plate, state recognition, vehicle color, vehicle type, vehicle make and objects (roof rack, bumper stickers, etc.) based on image analytics (not car registration data)
- Machine vision to capture and identify characteristics of vehicles with a paper license plate and vehicles with the absence of a license plate
- Ability to 'Save Search' based on description of vehicles using our patented Vehicle Fingerprint Technology without the need for a license plate, and set up alerts based on vehicle description
- Only LPR provider with "Visual Search" which can transform digital images from any source into an investigative lead by finding matching vehicles based on the vehicle attributes in the uploaded photo

2. Integrated Cloud-Software & Hardware Platform:

- Ability to capture two (2+) lanes of traffic simultaneously with a single camera from a vertical mass
 - Best in class ability to capture and process up to 30,000 vehicles per day with a single camera powered exclusively by solar power
 - Wireless deployment of solar powered license plate reading cameras with integrated cellular communication weighing less than 5lbs and able to be powered solely by a solar panel of 60W or less
 - Web based footage retrieval tool with filtering capabilities such as vehicle color, vehicle type, vehicle manufacturer, partial or full license plate, state of license plate, and object detection
 - Utilizes motion capture to start and stop recording without the need for a reflective plate
 - Motion detection allows for unique cases such as bicycle capture, ATV, motorcycle, etc.
 - On device machine processing to limit LTE bandwidth consumption
 - Cloud storage of footage
-

flock safety

- Covert industrial design for minimizing visual pollution
- 3. Transparency & Ethical Product Design:
 - One-of-a-kind "Transparency Portal" public-facing dashboard that details the policies in place by the purchaser, as well as automatically updated metrics from the Flock system
 - Built-in integration with NCMEC to receive AMBER Alerts to find missing children
 - Privacy controls to enable certain vehicles to "opt-out" of being captured
- 4. Integrated Audio & Gunshot Detection:
 - Natively integrated audio detection capabilities utilizing machine learning to recognize audio signatures typical of crimes in progress (e.g., gunshots)
- 5. Partnerships:
 - Flock Safety is the only LPR provider to officially partner with AXON to be natively and directly integrated into Evidence.com
 - Flock Safety is the only LPR provider to be fully integrated into a dynamic network of Axon's Fleet 3 mobile ALPR cameras for patrol cars and Flock Safety's Falcon cameras
 - Access to additional cameras purchased by our HOA and private business partners, means an ever-increasing amount of cameras and data at no additional cost
- 6. Warranty & Service:
 - Lifetime maintenance and support included in subscription price
 - Flock Safety is the only fully integrated ALPR one-stop solution from production of the camera to delivery and installation
 - Performance monitoring software to predict potential failures, obstructions, tilts, and other critical or minor issues

Thank you,

Re: Unified search capabilities

Dear Garrett,

This letter is to confirm that, as of the date of this letter, Flock Group, Inc. ("Flock") and Axon Enterprise, Inc. ("Axon") maintain a strategic relationship that allows Flock to operate the only third-party unified search solution that searches automated license plate recognition information stored and managed across Axon's and Flock's systems.

Sincerely,

Summary:

Flock Territory Sales Manager Kraig Gardner emails Prescott PD's Lt. Jason Small and Sgt. Mark Parker the pilot paperwork, an Order Form and Government Agency Agreement outlining a 60-day pilot within a 12-month initial term. The agreement specifies 16 Falcon cameras plus Advanced Search for a total contract amount of \$48,100.00.

Subject: Flock Pilot Agreement

Hey Lt. Small and Sgt Parker,

Here is the pilot paperwork. Notice on page one, it calls out the 60 day pilot terms. (Note - can't do ADOT permits on pilots, and they cost a bit more to do because of the poles we have to use).

Let me know if there are any questions,

Kraig

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

%1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

%1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

%1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

%1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Flock Group Inc.

- %1.17 **Agency Hardware.**
- %1.18 **“Falcon Flex”** means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.
- %1.19 **“Flock Hardware”** means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.
- %1.10 **“Flock IP”** means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- %1.11 **“Flock Safety Falcon™”** means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.12 **“Flock Safety Raven™”** means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- %1.13 **“Flock Safety Sparrow™”** means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.14 **“Footage”** means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- %1.15 **“Hotlist(s)”** means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- %1.16 **“Implementation Fee(s)”** means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- %1.17 **“Installation Services”** means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- %1.18 **“Non-Agency End User(s)”** means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- %1.19 **“Services”** or **“Flock Services”** means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- %1.20 **“Support Services”** means Monitoring Services, as defined in Section 2.10 below.
- %1.21 **“Usage Fee”** means the subscription fees to be paid by the Agency for ongoing access to Services.
- %1.22 **“Web Interface”** means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- %1.23 **“Wing Suite”** means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- %1.24 **“Wing Livestream”** means real-time video integration with third-party cameras via the Flock interface.
- %1.25 **“Wing LPR”** means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- %1.26 **“Wing Replay”** means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- %1.27 **“Vehicle Fingerprint™”** means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of

Flock Group Inc.

Order Form

This proposal expires in 30 days.

11/25/2025

the Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

1.1 Usage Restrictions.

1.1.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

1.2 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

1.3 Suspension.

1.3.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

1.3.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful,

11/25/2025

or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“**Service Interruption**”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

1.4 Installation Services.

1.4.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware (“**Designated Location**”) and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan (“**Reinstalls**”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

1.4.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

1.4.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation

work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

1.4.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

1.5 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

1.6 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

1.7 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

1.8 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

2. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no

obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

3. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

4.1.1 understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

3.1 **Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

3.2 **Aggregated Data.** Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

4. PAYMENT OF FEES

5.1.1 **Wing Suite Fees.** For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

6. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

7. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this

Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

9.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation

(“FAR”), section 2.101, the Services, the Flock Hardware and Documentation are “commercial items” and according to the Department of Defense Federal Acquisition Regulation (“DFAR”) section 252.2277014(a)(1) and are deemed to be “commercial computer software” and “commercial computer software documentation.” Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Subject: Flock Pilot Agreement

Hey Lt. Small and Sgt Parker,

Here is the pilot paperwork. Notice on page one, it calls out the 60 day pilot terms. (Note - can't do ADOT permits on pilots, and they cost a bit more to do because of the poles we have to use).

Let me know if there are any questions,

Kraig

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

%1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

%1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

%1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

%1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Flock Group Inc.

Order Form

This proposal expires in 30 days.

11/25/2025

- %1.17 **Agency Hardware.**
- %1.18 **“Falcon Flex”** means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.
- %1.19 **“Flock Hardware”** means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.
- %1.10 **“Flock IP”** means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- %1.11 **“Flock Safety Falcon™”** means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.12 **“Flock Safety Raven™”** means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- %1.13 **“Flock Safety Sparrow™”** means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.14 **“Footage”** means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- %1.15 **“Hotlist(s)”** means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- %1.16 **“Implementation Fee(s)”** means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- %1.17 **“Installation Services”** means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- %1.18 **“Non-Agency End User(s)”** means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- %1.19 **“Services”** or **“Flock Services”** means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- %1.20 **“Support Services”** means Monitoring Services, as defined in Section 2.10 below.
- %1.21 **“Usage Fee”** means the subscription fees to be paid by the Agency for ongoing access to Services.
- %1.22 **“Web Interface”** means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- %1.23 **“Wing Suite”** means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- %1.24 **“Wing Livestream”** means real-time video integration with third-party cameras via the Flock interface.
- %1.25 **“Wing LPR”** means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- %1.26 **“Wing Replay”** means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- %1.27 **“Vehicle Fingerprint™”** means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of

Flock Group Inc.

the Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

1.1 Usage Restrictions.

1.1.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

1.2 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

1.3 Suspension.

1.3.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

1.3.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful,

or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“**Service Interruption**”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

1.4 Installation Services.

1.4.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware (“**Designated Location**”) and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan (“**Reinstalls**”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

1.4.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

1.4.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation

work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

1.4.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

1.5 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

1.6 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

1.7 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

1.8 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

2. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no

obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

3. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

4.1.1 understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

3.1 **Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

3.2 **Aggregated Data.** Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

4. PAYMENT OF FEES

5.1.1 **Wing Suite Fees.** For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

Flock Group Inc.

Order Form

This proposal expires in 30 days.

11/25/2025

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

6. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

Flock Group Inc.

Order Form

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

7. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this

Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

9.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation

(“FAR”), section 2.101, the Services, the Flock Hardware and Documentation are “commercial items” and according to the Department of Defense Federal Acquisition Regulation (“DFAR”) section 252.2277014(a)(1) and are deemed to be “commercial computer software” and “commercial computer software documentation.” Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Subject: Flock Pilot Agreement

Hey Lt. Small and Sgt Parker,

Here is the pilot paperwork. Notice on page one, it calls out the 60 day pilot terms. (Note - can't do ADOT permits on pilots, and they cost a bit more to do because of the poles we have to use).

Let me know if there are any questions,

Kraig

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

%1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

%1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

%1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

%1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Flock Group Inc.

- %1.10 **“Flock IP”** means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- %1.11 **“Flock Safety Falcon™”** means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.12 **“Flock Safety Raven™”** means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- %1.13 **“Flock Safety Sparrow™”** means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.14 **“Footage”** means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- %1.15 **“Hotlist(s)”** means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- %1.16 **“Implementation Fee(s)”** means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- %1.17 **“Installation Services”** means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- %1.18 **“Non-Agency End User(s)”** means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- %1.19 **“Services”** or **“Flock Services”** means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- %1.20 **“Support Services”** means Monitoring Services, as defined in Section 2.10 below.
- %1.21 **“Usage Fee”** means the subscription fees to be paid by the Agency for ongoing access to Services.
- %1.22 **“Web Interface”** means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- %1.23 **“Wing Suite”** means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- %1.24 **“Wing Livestream”** means real-time video integration with third-party cameras via the Flock interface.
- %1.25 **“Wing LPR”** means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- %1.26 **“Wing Replay”** means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- %1.27 **“Vehicle Fingerprint™”** means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of

Flock Group Inc.

Order Form

This proposal expires in 30 days.

11/25/2025

the Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

1.1 Usage Restrictions.

1.1.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

1.2 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

1.3 Suspension.

1.3.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

1.3.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful,

Flock Group Inc.

11/25/2025

or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“**Service Interruption**”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

1.4 Installation Services.

1.4.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware (“**Designated Location**”) and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan (“**Reinstalls**”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

1.4.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

1.4.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation

work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

1.4.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

1.5 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

1.6 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

1.7 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

1.8 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

2. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no

obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

3. CONFIDENTIALITY; AGENCY DATA

4.1 **Confidentiality.** To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 **Agency Data.** As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 **Agency Generated Data in Wing Suite.** Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

4.1.1 understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

3.1 **Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

3.2 **Aggregated Data.** Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

4. PAYMENT OF FEES

5.1.1 **Wing Suite Fees.** For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

Flock Group Inc.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

6. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

Flock Group Inc.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

7. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this

Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

9.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation

("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 Conflict of Interest. Pursuant to A.R.S. § 38-511, the City may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a Professional to any other party of the Agreement with respect to the subject matter of the Agreement. In the foregoing event, the City further elects to recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the City from any other party to the Agreement arising as a result of this Agreement.

9.12 Non-Boycott of Israel. Flock certifies that it is not currently engaged in and agrees for the duration of this Agreement that it will not engage in a "boycott", as that term is defined in A.R.S. § 35-393, of Israel.

10.13 Non-Discrimination. Flock, its sub-contractors and suppliers, with regard to the work performed by it after award and during its performance of this contract, will not discriminate on the grounds of race, color, national origin, religion, sex, disability or familial status. Flock, its sub-contractors and suppliers, will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Age Discrimination Act of 1975, the Americans With Disability Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, and Arizona Governor Executive Orders 99-4, 2000-4 and 2009-09 as amended.

10.14 Non-Availability of Funds. Fulfillment of the obligation of the City under this Agreement is conditioned upon the availability of funds appropriated or allocated for the performance of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the City at the end of the period for which the funds are available. No liability shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments as a result of termination under this paragraph.

10.15 Attorneys' Fees. The parties hereto expressly covenant and agree that in the event of litigation arising from this Agreement, neither party shall be entitled to an award of attorney fees, either pursuant to the Agreement, pursuant to A.R.S. § 12-341.01(A) and (B), or pursuant to any other state or federal statute, court rule, case law or common law. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

10.16 Bench Trial. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

10.17 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when

Summary:

Email thread between Flock Safety sales manager Kraig Gardner and Prescott PD Lt. Jason Small negotiating redline changes to the Flock pilot agreement, with an attached Flock Group Order Form for a 60-day pilot within a 12-month term totaling \$48,100. Prescott's legal department proposed boilerplate contract changes and Flock struck the attorney's fees provision.

Subject: Re: Flock Pilot Agreement

Hey Lt. Small,

Got some minor changes (our team struck attorney's fees) and added some minor language clarifications.

I have attached the redlines, and also a clean doc if that works.

Will you let me know if they give the sign off on this version?

Subject: Flock Pilot Agreement

Hey Lt. Small and Sgt Parker,

Here is the pilot paperwork. Notice on page one, it calls out the 60 day pilot terms. (Note - can't do ADOT permits on pilots, and they cost a bit more to do because of the poles we have to use).

Let me know if there are any questions,

Kraig

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

%1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

%1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

%1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

%1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Flock Group Inc.

- %1.20 **“Support Services”** means Monitoring Services, as defined in Section 2.10 below.
- %1.21 **“Usage Fee”** means the subscription fees to be paid by the Agency for ongoing access to Services.
- %1.22 **“Web Interface”** means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- %1.23 **“Wing Suite”** means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- %1.24 **“Wing Livestream”** means real-time video integration with third-party cameras via the Flock interface.
- %1.25 **“Wing LPR”** means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- %1.26 **“Wing Replay”** means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- %1.27 **“Vehicle Fingerprint™”** means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of

Flock Group Inc.

Order Form

the Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

1.1 Usage Restrictions.

1.1.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

1.2 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

1.3 Suspension.

1.3.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

1.3.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful,

or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“**Service Interruption**”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

1.4 Installation Services.

1.4.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware (“**Designated Location**”) and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan (“**Reinstalls**”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

1.4.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

1.4.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation

work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

1.4.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

1.5 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

1.6 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

1.7 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

1.8 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

2. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no

obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

3. CONFIDENTIALITY; AGENCY DATA

4.1 **Confidentiality.** To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 **Agency Data.** As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 **Agency Generated Data in Wing Suite.** Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

4.1.1 understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

3.1 **Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

3.2 **Aggregated Data.** Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

4. PAYMENT OF FEES

5.1.1 **Wing Suite Fees.** For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

6. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

7. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this

Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

9.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation

("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 Conflict of Interest. Pursuant to A.R.S. § 38-511, the City may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a Professional to any other party of the Agreement with respect to the subject matter of the Agreement. In the foregoing event, the City further elects to recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the City from any other party to the Agreement arising as a result of this Agreement.

9.12 Non-Boycott of Israel. Flock certifies that it is not currently engaged in and agrees for the duration of this Agreement that it will not engage in a "boycott", as that term is defined in A.R.S. § 35-393, of Israel.

10.13 Non-Discrimination. Flock, its sub-contractors and suppliers, with regard to the work performed by it after award and during its performance of this contract, will not discriminate on the grounds of race, color, national origin, religion, sex, disability or familial status. Flock, its sub-contractors and suppliers, will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Age Discrimination Act of 1975, the Americans With Disability Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, and Arizona Governor Executive Orders 99-4, 2000-4 and 2009-09 as amended.

10.14 Non-Availability of Funds. Fulfillment of the obligation of the City under this Agreement is conditioned upon the availability of funds appropriated or allocated for the performance of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the City, pursuant to Section 6.2 of this Agreement, at the end of the period for which the funds are available. No liability shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments as a result of termination under this paragraph.

10.15 Bench Trial. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

10.17 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data (“**Footage**”) and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 “**Agency Hardware**” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . “**Aggregated Data**” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

%1.4 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

%1.5 “**Deployment Plan**” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

%1.6 “**Documentation**” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

%1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Flock Group Inc.

Order Form

- %1.17 **Agency Hardware.**
- %1.18 **“Falcon Flex”** means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.
- %1.19 **“Flock Hardware”** means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.
- %1.10 **“Flock IP”** means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- %1.11 **“Flock Safety Falcon™”** means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.12 **“Flock Safety Raven™”** means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- %1.13 **“Flock Safety Sparrow™”** means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- %1.14 **“Footage”** means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- %1.15 **“Hotlist(s)”** means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- %1.16 **“Implementation Fee(s)”** means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- %1.17 **“Installation Services”** means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- %1.18 **“Non-Agency End User(s)”** means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- %1.19 **“Services”** or **“Flock Services”** means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- %1.20 **“Support Services”** means Monitoring Services, as defined in Section 2.10 below.
- %1.21 **“Usage Fee”** means the subscription fees to be paid by the Agency for ongoing access to Services.
- %1.22 **“Web Interface”** means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- %1.23 **“Wing Suite”** means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- %1.24 **“Wing Livestream”** means real-time video integration with third-party cameras via the Flock interface.
- %1.25 **“Wing LPR”** means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- %1.26 **“Wing Replay”** means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- %1.27 **“Vehicle Fingerprint™”** means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of

Flock Group Inc.

the Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

1.1 Usage Restrictions.

1.1.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

1.2 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

1.3 Suspension.

1.3.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

1.3.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful,

or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“**Service Interruption**”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

1.4 Installation Services.

1.4.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware (“**Designated Location**”) and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan (“**Reinstalls**”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

1.4.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

1.4.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation

work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

1.4.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

1.5 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

1.6 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

1.7 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

1.8 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

2. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no

obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

3. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

4.1.1 understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

3.1 **Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

3.2 **Aggregated Data.** Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

4. PAYMENT OF FEES

5.1.1 **Wing Suite Fees.** For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a "**Renewal Term**") unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

Flock Group Inc.

Order Form

This proposal expires in 30 days.

11/25/2025

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

6. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

Flock Group Inc.

Order Form

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

7. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this

Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

9.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation

(“FAR”), section 2.101, the Services, the Flock Hardware and Documentation are “commercial items” and according to the Department of Defense Federal Acquisition Regulation (“DFAR”) section 252.2277014(a)(1) and are deemed to be “commercial computer software” and “commercial computer software documentation.” Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 Conflict of Interest. Pursuant to A.R.S. § 38-511, the City may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a Professional to any other party of the Agreement with respect to the subject matter of the Agreement. In the foregoing event, the City further elects to recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the City from any other party to the Agreement arising as a result of this Agreement.

9.12 Non-Boycott of Israel. Flock certifies that it is not currently engaged in and agrees for the duration of this Agreement that it will not engage in a “boycott”, as that term is defined in A.R.S. § 35-393, of Israel.

10.13 Non-Discrimination. Flock, its sub-contractors and suppliers, with regard to the work performed by it after award and during its performance of this contract, will not discriminate on the grounds of race, color, national origin, religion, sex, disability or familial status. Flock, its sub-contractors and suppliers, will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Age Discrimination Act of 1975, the Americans With Disability Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, and Arizona Governor Executive Orders 99-4, 2000-4 and 2009-09 as amended.

10.14 Non-Availability of Funds. Fulfillment of the obligation of the City under this Agreement is conditioned upon the availability of funds appropriated or allocated for the performance of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the City, pursuant to Section 6.2 of this Agreement, at the end of the period for which the funds are available. No liability shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments as a result of termination under this paragraph.

10.15 Bench Trial. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

10.17 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Email thread between Prescott PD Lt. Jason Small and Flock sales manager Kraig Gardner negotiating a 60-day Flock pilot agreement, discussing contract redlines by the city's legal department, sole source/Axon documentation to avoid competitive bids, use of city light poles, and invoicing timing after the July 1 fiscal year start.

Sounds great!

We got approval to do a 60 day pilot for you guys. What that means is that we will install the equipment, and then invoice after the pilot period has completed for 100% of the agreement. It is really, really likely that this pushes past July 1 because it's a 60 day pilot. And it usually takes us at least two or three months to get cameras in the ground.

Looking forward to working with you!

We are good to go with the contract. I am waiting until February 11th due to our procurement rules changing allowing us to not have to go to council for approval. The Chief will have the Mayor sign after the 11th. If possible would we be able to be invoiced after 7/1/23. This is the start of our fiscal year and would make things much easier for us. If not we are still good to go.

Perfect!

I have attached 2 documents, a letter from Axon and a Sole Source Letter.

Here is how we have managed to obtain sole source with other agencies:

1. Axon has a native integration for Flock that is exclusive to Flock & Evidence.com (see attached letter along with sole source letter)
2. There is no competitive product in the market that designs, manufactures, installs, and supports both gunshot detection and our ALPR with vehicle fingerprint technology.
3. Flock does not work with integrators. The only way to procure Flock's products is directly through the company. (this includes access to Flock networks with other agencies in the state, shared flock custom hot list, and shared LE data)
4. Flock has multiple issued patents on its technology:

Hey Lt. Small,

Got some minor changes (our team struck attorney's fees) and added some minor language clarifications.

I have attached the redlines, and also a clean doc if that works.

Will you let me know if they give the sign off on this version?

Hey Lt. Small and Sgt Parker,

Here is the pilot paperwork. Notice on page one, it calls out the 60 day pilot terms. (Note - can't do ADOT permits on pilots, and they cost a bit more to do because of the poles we have to use).

Let me know if there are any questions,

Good afternoon Mayor,

I haven't seen your car the past few days, so I believe you may be out of the office. I have a contract that I need your signature on. Hopefully, you recall our discussion a few months ago about the FLOCK camera system. We are eager to implement the trial period with this contract and the last thing we need is your signature. We are planning on budgeting for the full contract for next fiscal year and can evaluate our success with the program in the next few months.

For a refresher, the FLOCK cameras are going to be put in areas throughout the city and are linked to nationwide data bases to help identify stolen vehicles, suspect vehicles, or vehicles of interest. Nationwide and even locally, other agencies which have implemented programs such as this with great success and I anticipate we will have the same level of success here.

I will send the contract to you via internal mail. Please return it and let me know if you have any questions at all.

Thank you,
Amy

Summary:

Email from Purchasing Manager Melissa Busby to Finance staff instructing entry of the Flock Safety services agreement (Prescott City Contract No. 2023-151) into MUNIS as a contract, with GL coding to 1004615-8474 and FY24 amount of \$49,330.00. The thread includes the executed Flock order form and amendments setting a 12-month Initial and Renewal Term, and notes that renewal will require Council approval.

Good afternoon!

Please enter this contract into MUNIS as a Contract....

Jason Small is saying that it is for only 1 year, but everything I'm seeing says it will be automatically renewed if not cancelled. I have let him know once they get ready to renew it will have to go to Council for approval.

Please code this to 1004615-8474 and FY24 should be for the \$49,330.00. Per the Contract and then the 2 amendments (see attached), the Contract begin date would be 10/05/2023 and initial expiration date would be 10/04/2024.

Let me know if you have any questions.

Good morning!

Thank you for a copy of the Contract the Mayor signed. After reviewing this, I still think it should go to Council BEFORE you enter into the renewal (which I assume is in March 2024, based on when the Mayor signed) since in multiple places it references a renewal (automatic, unless notified).

This should be entered as a Contract in MUNIS since you've mentioned that you will most likely renew, as it will then be for more than 1 year. What should the contract start date and end date be?

I can have Jessica in Finance enter it if needed, she would just need to know what GL to include on the Contract. It looks like Michelle had coded the Requisition (that I rejected) to 1004615-8474, is this where you'd still like it coded? We can get the contract entered today (I still have all the attachments needed), and once Approved by everyone, then Michelle would be able to pay the invoice.

Let me know if you have any additional questions.

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this "**Agreement**") is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 ("**Flock**") and the police department or government agency identified in the signature block of the Order Form ("**Agency**") (each a "**Party**," and together, the "**Parties**").

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock's technology platform (the "**Flock Service**"), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data ("**Footage**") and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) ("**Notifications**");

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering ("**Permitted Purpose**").

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

1. DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 "**Agency Generated Data**" means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.2 "**Agency Hardware**" means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.3 . "**Aggregated Data**" means information that relates to a group or category of individuals, from which any potential individuals' personal identifying information has been permanently "anonymized" by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

1.4 "**Authorized End User(s)**" means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

1.5 "**Deployment Plan**" means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

1.6 "**Documentation**" means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

- 1.7 “**Embedded Software**” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Agency Hardware.
- 1.8 “**Falcon Flex**” means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.
- 1.9 “**Flock Hardware**” means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.
- 1.10 “**Flock IP**” means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.
- 1.11 “**Flock Safety Falcon™**” means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- 1.12 “**Flock Safety Raven™**” means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.
- 1.13 “**Flock Safety Sparrow™**” means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.
- 1.14 “**Footage**” means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.
- 1.15 “**Hotlist(s)**” means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.
- 1.16 “**Implementation Fee(s)**” means the monetary fees associated with the Installation Services, as defined in Section 1.19 below.
- 1.17 “**Installation Services**” means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.
- 1.18 “**Non-Agency End User(s)**” means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.
- 1.19 “**Services**” or “**Flock Services**” means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.
- 1.20 “**Support Services**” means Monitoring Services, as defined in Section 2.10 below.
- 1.21 “**Usage Fee**” means the subscription fees to be paid by the Agency for ongoing access to Services.
- 1.22 “**Web Interface**” means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.
- 1.23 “**Wing Suite**” means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.
- 1.24 “**Wing Livestream**” means real-time video integration with third-party cameras via the Flock interface.
- 1.25 “**Wing LPR**” means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.
- 1.26 “**Wing Replay**” means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.
- 1.27 “**Vehicle Fingerprint™**” means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

2. SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”).

Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of this Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

2.4 Usage Restrictions.

2.4.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

2.5 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

2.6 Suspension.

2.6.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the

Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

2.6.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful, or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance ("**Service Interruption**"). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

2.7 Installation Services.

2.7.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware ("**Designated Location**") and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan ("**Reinstalls**") will incur a charge for Flock's then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

2.7.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency ("**Agency Installation Obligations**"). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully

obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

2.7.3 Flock's Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock's standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

2.7.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

2.8 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

2.9 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

2.10 Special Terms. From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

2.11 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect

flock safety

to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

4. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7)

days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

4.4 Feedback. If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

4.5 Aggregated Data. Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

5. PAYMENT OF FEES

5.1.1 Wing Suite Fees. For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 Falcon Fees. For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 Notice of Changes to Fees. Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 Invoicing, Late Fees; Taxes. Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

6. TERM AND TERMINATION

6.1 Term. The initial term of this Agreement shall be for the period of time set forth on the Order Form (the “Term”). Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a “Renewal Term”) unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 Termination for Convenience. At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock’s own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party’s making an assignment for the benefit of creditors, or (iii) upon the other Party’s dissolution or ceasing to do business. Upon termination for Flock’s material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 (“No-Fee Term”). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days’ notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days’ notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 10.1 and 10.6.

7. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a “Defect”), Agency must notify Flock’s technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including

flock safety

Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties

flock safety

acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

9. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

10. MISCELLANEOUS

10.1 Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

10.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

10.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

10.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

10.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

10.6 Governing Law: Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

10.7 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

flock safety

10.8 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

10.9 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

10.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

10.11 Conflict of Interest. Pursuant to A.R.S. § 38-511, the City may cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of any other party to the Agreement in any capacity or a Professional to any other party of the Agreement with respect to the subject matter of the Agreement. In the foregoing event, the City further elects to recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the City from any other party to the Agreement arising as a result of this Agreement.

10.12 Non-Boycott of Israel. Flock certifies that it is not currently engaged in and agrees for the duration of this Agreement that it will not engage in a "boycott", as that term is defined in A.R.S. § 35-393, of Israel.

10.13 Non-Discrimination. Flock, its sub-contractors and suppliers, with regard to the work performed by it after award and during its performance of this contract, will not discriminate on the grounds of race, color, national origin, religion, sex, disability or familial status. Flock, its sub-contractors and suppliers, will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Age Discrimination Act of 1975, the Americans With Disability Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, and Arizona Governor Executive Orders 99-4, 2000-4 and 2009-09 as amended.

10.14 Non-Availability of Funds. Fulfillment of the obligation of the City under this Agreement is conditioned upon the availability of funds appropriated or allocated for the performance of such obligations. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the City, pursuant to Section 6.2 of this Agreement, at the end of the period for which the funds are available. No liability shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments as a result of termination under this paragraph.

10.15 Bench Trial. The parties hereto expressly covenant and agree that in the event of a dispute arising from this Agreement, each of the parties hereto waives any right to a trial by jury. In the event of litigation, the parties hereby agree to submit to a trial before the Court. To the extent applicable, Flock further agrees that this provision shall be contained in all sub-contracts and supplier contracts related to this Agreement.

10.17 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Sole Source Letter for Flock Safety ALPR Cameras and Solution

Flock Safety is the sole manufacturer and developer of the Flock Safety ALPR Camera. Flock Safety is also the sole provider of the comprehensive monitoring, processing, and machine vision services which integrate with the Flock Safety ALPR Camera.

The Flock Safety ALPR camera and devices are the only Law Enforcement Grade ALPR System to offer the following combination of proprietary features:

1. Patented Vehicle Fingerprint Technology:

- Patented proprietary machine vision to analyze vehicle license plate, state recognition, vehicle color, vehicle type, vehicle make and objects (roof rack, bumper stickers, etc.) based on image analytics (not car registration data)
- Machine vision to capture and identify characteristics of vehicles with a paper license plate and vehicles with the absence of a license plate
- Ability to 'Save Search' based on description of vehicles using our patented Vehicle Fingerprint Technology without the need for a license plate, and set up alerts based on vehicle description
- Only LPR provider with "Visual Search" which can transform digital images from any source into an investigative lead by finding matching vehicles based on the vehicle attributes in the uploaded photo

2. Integrated Cloud-Software & Hardware Platform:

- Ability to capture two (2+) lanes of traffic simultaneously with a single camera from a vertical mass
- Best in class ability to capture and process up to 30,000 vehicles per day with a single camera powered exclusively by solar power
- Wireless deployment of solar powered license plate reading cameras with integrated cellular communication weighing less than 5lbs and able to be powered solely by a solar panel of 60W or less
- Web based footage retrieval tool with filtering capabilities such as vehicle color, vehicle type, vehicle manufacturer, partial or full license plate, state of license plate, and object detection
- Utilizes motion capture to start and stop recording without the need for a reflective plate
- Motion detection allows for unique cases such as bicycle capture, ATV, motorcycle, etc.
- On device machine processing to limit LTE bandwidth consumption
- Cloud storage of footage

flock safety

- Covert industrial design for minimizing visual pollution
3. Transparency & Ethical Product Design:
- One-of-a-kind "Transparency Portal" public-facing dashboard that details the policies in place by the purchaser, as well as automatically updated metrics from the Flock system
 - Built-in integration with NCMEC to receive AMBER Alerts to find missing children
 - Privacy controls to enable certain vehicles to "opt-out" of being captured
4. Integrated Audio & Gunshot Detection:
- Natively integrated audio detection capabilities utilizing machine learning to recognize audio signatures typical of crimes in progress (e.g., gunshots)
5. Partnerships:
- Flock Safety is the only LPR provider to officially partner with AXON to be natively and directly integrated into Evidence.com
 - Flock Safety is the only LPR provider to be fully integrated into a dynamic network of Axon's Fleet 3 mobile ALPR cameras for patrol cars and Flock Safety's Falcon cameras
 - Access to additional cameras purchased by our HOA and private business partners, means an ever-increasing amount of cameras and data at no additional cost
6. Warranty & Service:
- Lifetime maintenance and support included in subscription price
 - Flock Safety is the only fully integrated ALPR one-stop solution from production of the camera to delivery and installation
 - Performance monitoring software to predict potential failures, obstructions, tilts, and other critical or minor issues

Procurement Exception Form Overview and Policy

The Procurement Exception Form is used when there is a request for exception to the competitive procurement process. You must select the applicable exception, explain the description of goods or services to be purchased, and document why there is an exception for the required material or service. The form shall be approved by the **City Department Head**, pursuant to the threshold levels set forth in section 1-27-12, Expenditures, of the Procurement Code, and the form **submitted to the Purchasing Manager** for approval of the request.

Types of Exceptions Defined

- ☐ **Professional or Specialized Service** (*section 1-27-16 of the Procurement Code*)
 - (A) Personal services provided by members of professions that require specialized knowledge and expertise acquired by advanced training and/or experience (predominately involving mental or intellectual rather than physical or manual skills) may be procured or retained on an as-needed basis or for a particular project by the Purchasing Agent without the formal bidding requirements set forth in Section 1-27-12. These services may be procured annually, or on an as-needed basis.
- ☐ **Emergency Procurement** (*section 1-27-11 of the Procurement Code*)
 - (A) A Purchasing Agent may make or authorize others to make emergency procurements if there exists a threat to the public health, welfare or safety or if a situation is determined to be necessary for the public interest.
 - (B) An emergency procurement shall be limited to the goods or services necessary to satisfy the emergency need with as much competition as is practicable under the circumstances.
 - (C) In emergency situations, expenditures, and obligations to suppliers of goods and services that exceed fifty thousand dollars (\$50,000.00) shall be submitted to the Council for authorization or ratification at the next scheduled Council meeting.
- ☐ **Sole Source Procurement** (*section 1-27-10 of the Procurement Code*)
 - (A) Generally, procurements become a Sole Source Procurement because there is only one known source that exists, or only one single supplier that can fulfill the requirements, such as with brand name parts, equipment, system or product maintenance, or information technology. When only one manufacturer or distributor sells/provides the name brand only material or service this is a Sole Source Procurement. **Sole Source Procurement should be avoided unless there is only one source for the required material or service and no other type of material or service will satisfy the requirements of the City.**
 - (E) When possible, City departments seeking a Sole Source Procurement must submit a letter from the manufacturer/distributor of the material, or the provider of the Service, indicating the identified Vendor as the sole source of the material or service being purchased.
- ☐ **Brand (OEM Required)**

OEM is a term heard most often within two industries: automotive and IT. OEM or original equipment manufacturer (OEM) makes systems or components that are used in another company's end product. Computer manufacturers, for example, commonly bundle or integrate OEM parts – such as processors and software – into the solutions they sell.
- ☐ **Situation**

Where solicitation of bids or proposals would be impractical, unavailing, or impossible. Reasoning for utilizing higher quotes or only two quotes available.

flock safety

Sole Source Letter for Flock Safety ALPR Cameras and Solution

Flock Safety is the sole manufacturer and developer of the Flock Safety ALPR Camera. Flock Safety is also the sole provider of the comprehensive monitoring, processing, and machine vision services which integrate with the Flock Safety ALPR Camera.

The Flock Safety ALPR camera and devices are the only Law Enforcement Grade ALPR System to offer the following combination of proprietary features:

1. Patented Vehicle Fingerprint Technology:
 - Patented proprietary machine vision to analyze vehicle license plate, state recognition, vehicle color, vehicle type, vehicle make and objects (roof rack, bumper stickers, etc.) based on image analytics (not car registration data)
 - Machine vision to capture and identify characteristics of vehicles with a paper license plate and vehicles with the absence of a license plate
 - Ability to 'Save Search' based on description of vehicles using our patented Vehicle Fingerprint Technology without the need for a license plate, and set up alerts based on vehicle description
 - Only LPR provider with "Visual Search" which can transform digital images from any source into an investigative lead by finding matching vehicles based on the vehicle attributes in the uploaded photo
2. Integrated Cloud-Software & Hardware Platform:
 - Ability to capture two (2+) lanes of traffic simultaneously with a single camera from a vertical mass
 - Best in class ability to capture and process up to 30,000 vehicles per day with a single camera powered exclusively by solar power
 - Wireless deployment of solar powered license plate reading cameras with integrated cellular communication weighing less than 5lbs and able to be powered solely by a solar panel of 60W or less
 - Web based footage retrieval tool with filtering capabilities such as vehicle color, vehicle type, vehicle manufacturer, partial or full license plate, state of license plate, and object detection
 - Utilizes motion capture to start and stop recording without the need for a reflective plate
 - Motion detection allows for unique cases such as bicycle capture, ATV, motorcycle, etc.
 - On device machine processing to limit LTE bandwidth consumption
 - Cloud storage of footage

flock safety

- Covert industrial design for minimizing visual pollution
- 3. Transparency & Ethical Product Design:
 - One-of-a-kind "Transparency Portal" public-facing dashboard that details the policies in place by the purchaser, as well as automatically updated metrics from the Flock system
 - Built-in integration with NCMEC to receive AMBER Alerts to find missing children
 - Privacy controls to enable certain vehicles to "opt-out" of being captured
- 4. Integrated Audio & Gunshot Detection:
 - Natively integrated audio detection capabilities utilizing machine learning to recognize audio signatures typical of crimes in progress (e.g., gunshots)
- 5. Partnerships:
 - Flock Safety is the only LPR provider to officially partner with AXON to be natively and directly integrated into Evidence.com
 - Flock Safety is the only LPR provider to be fully integrated into a dynamic network of Axon's Fleet 3 mobile ALPR cameras for patrol cars and Flock Safety's Falcon cameras
 - Access to additional cameras purchased by our HOA and private business partners, means an ever-increasing amount of cameras and data at no additional cost
- 6. Warranty & Service:
 - Lifetime maintenance and support included in subscription price
 - Flock Safety is the only fully integrated ALPR one-stop solution from production of the camera to delivery and installation
 - Performance monitoring software to predict potential failures, obstructions, tilts, and other critical or minor issues

Thank you,

Garrett Langley CEO, Flock Safety

Subject: Service Agreement Proposal

Dear Chief Bonney,

Fusus is honored that the Fusus Police Department is considering our organization to support its community safety initiatives by providing a platform to view public and community video sources for incident situational awareness and investigations.

Fusus will provide a video and data collaboration platform to expedite intelligence gathering and efficiency of response to situations as they unfold throughout the community. Further, the platform is tied to a community-facing website portal for video camera registry, providing a tool for identifying the location of cameras in proximity to incidents, as well as a means for efficient outreach to collect recorded video and image files from camera owners both public and private.

This Service Agreement Proposal and related software subscription will become effective upon signing and continue for twelve (12) months.

1. Initial Scope of Work: The following fusus Pro Package software and associated hardware will be delivered and installed as part of this agreement.
 - a. fususONE™: Initial setup, access and training of users to include up to 500 data points and 500 public/private video feeds
 - b. fususCORE™: Installation and setup of:
 - i. Fifteen (15) fususCORE Pro™ Appliances
 - ii. One (1) fususCORE Elite AI™ Appliance
 - c. fususREGISTRY™: Creation of a custom website portal for community members to register privately owned cameras
 - d. fususVAULT™: Implementation of a CJIS compliant evidence vault for the storage of up to 5TB of videos and still images captured via the fususONE™ platform
 - e. fususOPS™: Implementation of our smart-phone app which provides viewing of live camera feeds and setting up and transmitting the location of teams for special events and critical incident management
 - f. fususTIPS™: Implementation of our SMS service that provides text communications of pictures, audio and video directly into fususVault™
 - g. fususNOTIFY™: Implementation of our SMS text service that provides text notifications to community members
 - h. fususAlert™: Implementation of our iOS/Android application which provides panic alerting to fususONE™ along with geolocation of persons in distress and automatic docking of nearby camera assets in the fususONE™ platform
 - i. fususANALYTICS™: Implementation of our crime and incident heat mapping and analysis platform
 - j. fususCONNECT Call-Out: One (1) month fusus call-out to businesses within the jurisdiction to assist with camera registration and integration

- k. **fūsusCONNECT Microsite**: Development of an agency specific website landing page to assist with building camera registration and integration of community video assets
- l. **fūsusINCIDENT™**: Implementation of the Fūsus Situational Awareness system for bi-directional telestration, icon marking, floorplan room clearing, planning, and resource staging from Emergency Operation Center workstations and mobile field-based users on laptops and iOS/Android mobile devices
- m. **fūsusLIVELINK™**: Provision of a live link system which allows 911 callers to initiate a camera stream in the event of an emergency to the Department, along with a one-to-many methodology for secure and encrypted responder-group sharing during an emergency
- n. **fūsusOVERWATCH**: Allows users the ability to track vehicles and people from one camera to another
- o. Remote Configuration of fūsus Core(s)
- p. Integration of all current and future video feeds
- q. Integration of Computer Aided Dispatch, AVL, drone feeds, covert cameras, and license plate readers as required

Note: fūsus™ will provide continuing data and IoT integrations at no additional charge for the life of the agreement

2. Payment and Subscription Terms:

- a. **Payment 1:** Due Upon Contract Signing **\$50,000**
- b. **Payment 2:** Due 30 days after Training and Acceptance **\$50,000**

Note: Additional fūsusCORE™ appliances may be purchased for the following per unit price schedule.

- a. CORE Lite: \$200/each
- b. CORE Lite Extended: \$300/each
- c. CORE Pro: \$600/each
- d. CORE Pro Extended: \$1,000/each
- e. CORE Elite: \$4,000/each
- f. CORE Elite AI: \$5,000/each

3. Bill of Materials Included with the Service: As part of the annual subscription price, each system will include the following:

- a. fūsusONE™ SaaS
- b. Unlimited video alerts, access, and video download
- c. fūsusCORE™ warranty and technical support for the life of the agreement
- d. Unlimited fūsusOPS Application for Android and iOS Devices

Subscription to fūsusONE™ includes all the following:

- a. Unlimited Users for Your Agency to fūsusONE™ – Real-Time Crime Center in the Cloud
- b. Unlimited Access for Your Agency to the fūsusONE™ Dashboard
- c. Floorplan Integration for designated locations in fūsusONE™
- d. Ongoing Integration Services with the CAD System
- e. Installation and Technical Phone Support
- f. Provide a Full Solution Warranty for the Life of the Agreement

g. Live U.S.-Based Phone Technical Support for the Life of the Agreement

4. Technical Requirements:

- a. Camera live-sharing compatibility will be assessed for each location before CORE delivery.
- b. The customer will designate a primary POC for the deployment of the fūsus™ solution.
- c. Minimum network speed of .5 mb/s per viewed camera for live video sharing through the system.

5. Terms and Conditions:

The use of and access to fūsus™ products and services is subject to the fūsus™ Terms of Service V08.30.2022 found at <https://www.fusus.com/fusus-terms-of-service>.

The Termination for Convenience Clause Asserts that the customer may, at its sole discretion, terminate the agreement with 30 days of written notice to Fūsus. Services will be reimbursed on a pro-rated basis from the last day of the term through the agreement's remainder. The cost of any unreturned or unserviceable fūsusCORE(s), as listed above in Section 2, will be deducted from the refund.

We are privileged to work with you on this project. Should you have any questions at any time, please feel free to call (765) 237-1769 or email me at jdw@fusus.com.

Respectfully,

Prescott, AZ 86303

Dear Chief Bonney:

Fusus is the only manufacturer that builds a common operating platform that does not require a complete replacement of video cameras, recorders, servers, or network equipment at video transmitting locations. As such, the solution is robust yet fast and cost efficient to deploy and requires minimal supervision on the part of the Department.

FususONE, the Company's flagship enterprise software management system, is the only platform of its kind on the market and there are no comparable market alternatives that meet the specifications set forth in this letter. Accordingly, the product has met the criteria set by every Nationwide Department under contract with Fusus for a sole source procurement methodology.

Referenced in this letter are the components of the Fusus ecosystem. These are: (1) fususONE™, the Real-Time Video and Incident Management Platform, (2) fususCORE™, the appliance used for video sharing, and (3) fususREGISTRY™, the community facing portal for live and recorded video sharing to aid in response and investigations.

The fususONE™ platform offers the following unique capabilities to your Department:

- Global map-based GUI of all camera locations, and organizations partnered with the Department for sharing.
- Full Integration with Axon Body 3™ Body-Worn Cameras (BWCs) – including capabilities unique to Fusus for correlation of Officer location, BWC recording status, access to BWC live streaming video, user authentication and correlation to other video and alerting assets through the platform.
- Real-time video accessibility to over 1,000 camera and camera software manufacturers, including UAV, Robot, Helicopter and other public safety video assets that may already be in use
- CJIS Compliant Cloud Based Management (AWS Gov Cloud)
- Policy-Based Sharing rules engine including a complete chain of custody report of video access by user
- Real Time Integration with your Department's Computer Aided Dispatch Software (CAD) for automatic display of calls for service in relation to live and recorded video based on priority and type
- Patented "Dispatch-Directed Payload" digital media payload sharing with assigned Officers for Calls for Service (Patent Number US11368586B2)
- Apple iOS and Android Interoperability for Live View and Sharing of Incident Video, Map Telestration for Team Incident Response and Team Movement Coordination, and a Secure Chat of Digital Media by supervisors to field-based users and groups
- Artificial Intelligence Search (rapid object-based video review) & Sentry (real-time object-based alerting) capabilities
- An Operational Dashboard for monitoring secure chat channels between your and business community stakeholders, social media integration, local and national news channels, daily operational briefs promulgated by the Department, and emergency and safety-related notifications

- A fususALERT™ panic alerting mobile app for Department-designated community member locations for location alerting and policy-based video sharing during critical incidents
- fususNOTIFY™ mass notification capabilities for community SMS alerts
- fususANALYTICS™: Crime and incident heat mapping capabilities to provide location and day of week/time of day frequency analytics over specified search periods for data-driven decision making.

The fususCORE™ offers the following unique capabilities to your Department:

- Encrypted and Secure Tunnel of User selectable video feeds from video sharing locations.
- Auto-Discovery of all cameras on a network, user selectable for sharing with the Department's real-time crime interface, fususONE
- On-Board Pre-Record of Alerts – store and forward methodology optimized for slower camera host networks
- Plug and Play Setup by the video host locations, not requiring project management by the Department
- Interoperability with Existing IP Cameras and NVRs/Servers for items such as helicopter, drone, tactical robot, license plate recognition, and fixed location video
- Health Monitoring of video sharing sites, and exception alerts for priority video sources
- Public Safety-specific cellular interoperability, including First Net
- Artificial Intelligence Based Search & Alert Capabilities for both public and community-owned camera sources

The fususREGISTRY™ portal offers the following unique capabilities to your Department:

- A unique web address owned by your Department for Community Camera Registry
- An intuitive map-based camera registry interface that allows camera owners to share camera location, type, and their contact information with the Department, to aid in investigations
- A secure portal, fususVAULT™, for sharing recorded video from witnesses with the Department and to aid in investigations, plus an SMS Text based (non-APP based) video and photo sharing capability, fususTIPS™
- Aggregation of all live incident views and recorded video into a case file for export to the Department's long-term digital evidence management software (DEMS) system.

This letter documents that the Fusus is the sole entity with the authority, access, and ability to provide enhancements, upgrades, and warranty support for its hardware and software products.

Please contact me at (404) 925-5532 should you have any questions with regard to our products and services.

Sincerely,

COMMANDCENTRAL AWARE INTEGRATIONS

CommandCentral Aware provides a range of integrations, described in the sections below.

APX NEXT SmartLocate Integration

The APX NEXT SmartLocate feature provides dispatchers with accurate location data over a broadband network. This location data, combined with CommandCentral Aware functionality, enables better tracking of field personnel and improved situational awareness. SmartLocate quickly sends GPS coordinate updates and location information from the field to dispatchers, providing a more effective operating picture of any situation. This gives dispatchers a greater ability to manage incidents and allocate resources in the most efficient way possible. Broadband connectivity increases the frequency of location reporting beyond the capability of an LMR system. This improves location accuracy and enables more users to be tracked. The CommandCentral Aware tool set features many location triggers, including time, distance, push-to-talk (PTT), emergency, and accelerated cadence during emergency.

Computer Aided Dispatch (CAD) Integration

CommandCentral Aware integrates with CAD to provide CAD status and event monitor capabilities. The CAD status monitor allows users to see a listing of incidents (event type, location incidents, narrative, priority, status, geographic area, location of devices or units). The application consumes event-driven data from multiple CAD systems, allowing for real time assessment with other relevant data published to the platform, such as officer location, alarms, alerts, tips, tactical information, voice, and video.

Motorola 911 Mapping Integration

CommandCentral Aware integrates with Motorola Solutions CAD and 911 call data. The CommandCentral Aware application shows key caller events, such as 911 ringing, connects, and disconnects, alongside location updates to monitor the status of wireless callers. This provides essential information to assist personnel responding to an incident. In addition, a view of a call-based heat map helps PSAP resources understand where the volume of calls is coming from and improve the decision making process.

- Authenticates 9-1-1 calls for Hybrid Enhanced Location information.
- Maps Text-to-9-1-1 calls.
- Displays links to building footprints and Automated External Defibrillator (AED) locations.
- Presents user-supplied profiles in the same interface with mapping and display of landline, VoIP, and wireless 9-1-1 calls.

Vigilant LPR Integration

Motorola Solutions' LPR enables law enforcement agencies to organize and archive data collected from multiple mobile and fixed site LPR deployments. LPR technology has numerous applications including parking enforcement, law enforcement and city surveillance, and security and monitoring. Capabilities of Motorola Solutions' LPR system are as follows:

- Photograph a vehicle and focus on its license plate in moving traffic.
- Raise an alert, show a photo of the vehicle and license plate, and display why it is of interest in response to a match.
- Mine and analyze plate identification data for patterns.
- Map all locations related to a single plate to locate and map vehicle movements. The web interface allows data to be shared across multiple locations and agencies. Create wildcard hotlists with partial

license plate numbers, and hotlists that notify assigned investigators of hits without alerting in-car vehicle officers.

- Associate related data from disparate systems to get a full view of an incident or hot-list hit/alarm occurrence via the Correlation Engine. Display nearby video sources based on the LPR hot-list hit/ alarm, sensor alarms, and provided third-party data alerts.
- Enforce parking with digital tire chalking for enforcement of time-limits and residential, university semester, employee, short-term, and shared permits.
- Support law enforcement and city surveillance with live data transmission between vehicles and the back office, and back office data mining and geo-fencing.

AccuWeather Integration

CommandCentral Aware includes integration with AccuWeather. This integration provides customized weather-driven services. Services include site-specific forecasts, severe-weather warnings, historical data, and custom analytics. AccuWeather also provides the following data:

- Location key for your desired location.
- Forecast information for a specific location.
- Current Conditions data for a specific location.
- Daily index values for a specific location. Index availability varies by location.
- Radar and satellite images.

CJIS AND COMPLIANCE

For U.S.-based customers, the CommandCentral infrastructure runs in a CJIS compliant GovCloud. Motorola Solutions operates CommandCentral according to requirements dictated by the CJIS Security Policy document. Motorola Solutions performs periodic internal reviews to ensure the operation of CommandCentral is in compliance for each of the thirteen policy areas established by the CJIS Security Policy.

All Motorola Solutions employees with administrative access to the CommandCentral system must complete CJIS Security and Awareness training and complete a fingerprint-based background check. User activities are logged for auditing purposes.

All Motorola Solutions CommandCentral SaaS offerings are deployed in Microsoft Azure. These cloud service providers (CSPs) offer a secure infrastructure to build our applications. All Azure customers leverage a data center and network architecture that meets the requirements of the most security-sensitive organizations.

When it comes to meeting compliance requirements, Azure provide their customers with an infrastructure which already complies with many assurance programs. Systems built on top of the cloud infrastructure of these CSPs will receive immediate benefit for compliance requirements that affect infrastructure, physical security, or other areas that CSP bears responsibility for.

COMMANDCENTRAL INTERFACES

CommandCentral interfaces depend on the functionality made available to Motorola Solutions by your agency's third-party system. Your agency is responsible to provide connectivity to these third-party systems via the SDK, API, or other Motorola Solutions-approved method. Your agency is also responsible

COMMANDCENTRAL AWARE BUDGETARY SOLUTION DESCRIPTION

CommandCentral Aware combines disparate systems and data into an accessible interface. This single interface offers command centers a complete operating picture to support field personnel in real time. CommandCentral Aware unifies data from mapping, correlated event monitoring, analytics, and communications. This unified interface streamlines public safety workflows and viewpoints, enabling users to access and act on critical information.

Agencies can increase the value of their current investments by connecting CommandCentral Aware to other software platforms. These platforms include Computer Aided Dispatch (CAD) systems, Call Handling, ASTRO 25, or Video Management Systems (VMS). These integrations enhance the CommandCentral Aware solution. The Microsoft Azure cloud secures the data that passes through CommandCentral Aware.

The design, technical, pricing, and other information ("Information") furnished with this budgetary submission is proprietary information of Motorola Solutions, Inc. ("Motorola Solutions") and is submitted with the restriction that it is to be used for evaluation purposes only. To the fullest extent allowed by applicable law, the Information is not to be disclosed publicly or in any manner to anyone other than those required to evaluate the Information without the express written permission of Motorola Solutions. The Information provided in this submission is provided for evaluation and budgetary purposes only and does not constitute a binding offer to sell or license any Motorola Solutions product or services. For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:

i. **Contract holder reference.** If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records.** Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments.** Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information.** In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at

least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.
